**CASE NO. 2:09-bk-50259  
Chapter 11**

**FINAL ORDER**

Upon the Debtor's second motion for interim and final orders: (a) authorizing the Debtor's limited use of cash collateral pursuant to 11 U.S.C. § 363; (b) authorizing the Debtor to pay certain pre-petition wages; (c) authorizing the Debtor to make deductions and withholdings from employee paychecks; (d) authorizing the Debtor to utilize its current payroll account to make such payments; and (e) authorizing and directing the bank on which such checks are drawn to pay all such checks made by the Debtor relative to such payments (the "Motion") [Document No. 27]; and it appearing that the relief requested is in the best interests of the Debtor's estate, its creditors and other parties-in-interest; and it appearing that

the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 1157 and 1334; and it appearing that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and notice of the Motion and the opportunity for hearing on the Motion was appropriate under the particular circumstances and no other or further notice need be given, **IT IS HEREBY ORDERED:**

1. That the Motion is **granted** subject to the provisions set forth herein;
2. That the Debtor is authorized to pay the compensation to the Debtor's employees identified in the spreadsheet provided to counsel for Greystone Credit II, Inc. ("Greystone") and the Office of the United States Trustee on February 19, 2009 in the amounts set forth on the spreadsheet and for the pay periods set forth in the Motion; provided however, that no sums shall be paid to any of those certain APPCO employees included in the Motion who perform administrative functions for Crescent Fuel, Inc., as described in the Motion, unless and until the Debtor has received by wire or ACH transfer all of the amounts due from Crescent Fuel Inc. to fund the amounts due to these employees. Because the amounts to be transferred by Crescent Fuel, Inc. are amounts due for services provided, Crescent Fuel, Inc. shall have no claim against the Debtor or its estate for the amounts transferred to the Debtor pursuant to this Order.
3. That the Debtor is authorized to make Deductions (as defined in the Motion) from the employee paychecks and the required withholdings for the payment of Payroll Taxes (as defined in the Motion);
4. That the Debtor is authorized to utilize individual checks drawn on the Payroll Account (as defined in the Motion) to pay the employee compensation as described and set forth in the Motion;

5. That, notwithstanding any other provisions in this Order, and consistent with Section 507(a)(4) of the Bankruptcy Code, the Debtor shall not pay any individual employee more than \$10,950 (including sums previously paid to the Debtor's employees as authorized by previous orders of the Court) for compensation during the interim period prior to the entry of a final order;

6. That the Debtor is authorized to expend up to \$10,000 to pay routine convenience store operational costs such as postage, routine maintenance, deli purchases and other routine costs for the weeks ending February 15, 2009; February 22, 2009 and March 1, 2009, provided any single expenditure shall not exceed \$500.00 absent approval of Greystone Credit;

7. That Branch Banking and Trust Company, the bank on which the payroll checks are drawn in payment of the Employee Compensation, is authorized and directed to receive, honor and pay all such checks provided there are sufficient funds in the Payroll Account to cover such checks;

8. That the Debtor is authorized and empowered to take all actions necessary to implement the relief granted in this Order;

9. That, notwithstanding the possible applicability of Fed. R. Bankr. P. 6004(g), 7062 and 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its signing and filing; and

10. That, as and for adequate protection of the use of cash collateral authorized by the Motion, Greystone is hereby granted (effective immediately and without the necessity of the

execution or filing by the Debtor of a security agreement, financing statements, trademark, copyright, tradename, or patent assignment filings with the United States Patent and Trademark Office or Copyright Office, mortgages, landlord lien waivers, license consents or otherwise), pursuant to Sections 361(2), 363(e) and 552 of the Bankruptcy Code, a replacement, post-petition security interest in and lien upon all of the Debtor's assets of the same type in which Greystone holds a prepetition lien or security interest to the same extent, validity and priority as Greystone's pre-petition liens and security interests, to the extent that the Debtor's use of cash collateral results in any decrease, following the petition date, in the value of the collateral securing Greystone's claims, with such replacement liens having the same validity as Greystone's liens and security interests in prepetition collateral. The replacement liens and priority granted to Greystone in this Order as adequate protection shall be perfected by operation of law upon entry of this Order, and Greystone shall not be required to enter into or to obtain mortgagee waivers, bailee waivers, or warehouseman waivers or to file or record financing statements, mortgages, deeds of trust, leasehold mortgages, notices of lien or similar instruments in any jurisdiction (including trademark, copyright, tradename or patent assignment filings with the United States Patent and Trademark Office, Copyright Office or any similar agency with respect to intellectual property), or obtain consents from any landlord, licensor or similar party-in-interest, or to take any other action in order to validate and to perfect the replacement security interests and liens granted to Greystone pursuant to this interim Order authorizing the use of cash collateral.
